

Dear [Client Name],

Congratulations again on the purchase of your new vacation home at [Property Address]! It was a pleasure assisting you throughout this process.

Buying a home "sight-unseen" requires a tremendous amount of trust. Because many buyers are hesitant to purchase a property without visiting it in person, I would love to share your experience with others who may be in a similar position.

Would you be willing to provide a brief testimonial regarding our work together? Specifically, I would appreciate your thoughts on:

- The virtual tour and video walkthrough process.
- How I handled local inspections and property details on your behalf.
- The level of communication and trust established during the remote closing.

You can submit your feedback by replying to this email or by clicking this link: [Insert Link to Review Site].

Thank you for your business and for trusting me to find your getaway home from a distance. I hope you enjoy your first visit to the property!

Best regards,
