Subject: Congratulations on your new home in [City Name]!

Dear [Client Name],

Congratulations again on the successful closing of your new home! I know that buying a property from across the country-especially without seeing it in person-requires a tremendous amount of trust. I am so glad I could be your eyes and ears on the ground throughout this process.

I am writing to ask if you would be willing to share your experience by providing a brief testimonial. Since many cross-country buyers are often nervous about purchasing a home sight-unseen, hearing about your journey would be incredibly helpful for others in your position.

If you have a moment, could you please comment on:

- The communication process while you were out of state.
- The virtual tours and digital resources provided.
- How you felt about the final walkthrough versus your expectations.
- Your overall level of trust in our partnership.

You can simply reply to this email or leave a review on [Insert Link to Google/Zillow/Website].

Thank you for choosing me to represent you. I hope you are settling in well and enjoying your new home!

Best regards,
