Dear [Recipient Name],

I am writing to provide you with a brief update on the growing market for eco-friendly and energy-efficient homes in [Neighborhood/City Name].

Sustainability is no longer just a trend; it is becoming a primary driver in local real estate value. Here are the key highlights for this quarter:

- **Premium Pricing:** Homes with high energy-efficiency ratings or solar installations are selling for approximately [X]% more than traditional homes in our area.
- **Demand for Efficiency:** Buyers are actively seeking features such as smart thermostats, high-performance insulation, and EV charging stations.
- **Incentives:** New local and federal tax credits are now available for homeowners looking to upgrade their properties with green technology.

Whether you are looking to improve your home's resale value through green upgrades or are interested in purchasing a sustainable property, I am here to help you navigate this specialized market.

If you would like a detailed valuation of your home or a list of available eco-friendly listings, please feel free to reach out.

Best regards,
