Dear [Owner Last Name],

I am writing to provide you with a brief update regarding the current real estate activity in the [County/Area Name] rural market.

Over the last [Number] months, we have seen a significant increase in demand for properties similar to yours. We are currently working with several qualified buyers who are specifically looking for rural acreage that offers [feature, e.g., privacy, water rights, or timber].

Currently, the inventory of available rural land in our area is low, while buyer interest remains high. This shift has created a favorable environment for property owners who may be considering a sale.

If you have ever thought about selling your property, or if you are simply curious about its current market value in today's climate, I would be happy to provide you with a complimentary valuation report.

There is no obligation involved. I would welcome the opportunity to discuss the specific buyer profiles we are seeing and how they relate to your land.

Please feel free to call me at [Phone Number] or email me at [Email Address].

Best regards,
