Dear [Neighbor Name],

As you may know, the real estate market in [Neighborhood Name] is currently seeing incredibly high demand. Because homes in our area are selling so quickly, I wanted to personally invite you to a special open house for a property very similar to yours.

Location: [Property Address]

Date: [Date of Open House]

Time: [Time Range]

I am hosting this event not only for potential buyers but also for neighbors who are curious about current market values. Since your home is similar in style and size to this property, this is a great opportunity to see how it compares and what buyers are currently looking for in our market.

If you have ever wondered what your home might be worth in today's competitive environment, I would be happy to provide you with a complimentary valuation report during the event.

I hope to see you there!

Best regards,
