

Subject: We appreciate your support during these showings

Dear [Client Name],

I wanted to reach out and personally thank you for your incredible patience and flexibility over the past few weekends. I know that keeping your home in "show-ready" condition and stepping out for hours at a time can be exhausting and disruptive to your personal time.

Please know that your efforts are not going unnoticed. The feedback from potential buyers has been very positive, and your commitment to making the home accessible is the primary reason we are seeing such strong interest. We are working hard to review all inquiries and find the right buyer as quickly as possible so you can return to your normal routine.

If there is anything I can do to make this coming weekend easier for you-such as adjusting the showing window or blocking off a specific time for you to rest-please let me know.

Thank you again for being such a wonderful partner in this process.

Best regards,
