Built in [Year], this home has been meticulously preserved to showcase its original craftsmanship. Key features include:

- [Feature 1: e.g., Hand-carved woodwork and original crown molding]

- [Feature 4: e.g., Restored masonry and architectural details]

While the home maintains its historic charm, it has been thoughtfully updated to provide the modern comforts expected in today's market. It is truly a "one-of-a-kind" property that stands out from modern builds.
