Dear Neighbor,

I am writing to share some exciting news regarding a very special property in our neighborhood. The historic home located at **[Property Address]** has officially been listed on the market.

As you know, homes of this caliber are rare. This residence is a true masterpiece of craftsmanship, featuring exquisite **bespoke woodwork** and original **stained glass** artistry that captures the timeless elegance of a bygone era. From the hand-carved architectural details to the vibrant play of light through the glass, it is a property that truly celebrates historic preservation.

Because you live nearby, you understand the unique charm and value of this area. I am looking for a buyer who will appreciate and steward this architectural treasure just as the current owners have.

If you have a friend, family member, or colleague who has been searching for a historic home with authentic character, I would love to show it to them. You can view the full gallery of images and property details at: **[Website Link]**.

Please feel free to reach out if you have any questions or if you would like to schedule a private viewing for someone you know.

Best regards,
