Dear Neighbor,

I am excited to announce that I have officially sold the historic home located at **[Property Address]**.

As you know, our neighborhood is unique for its architectural character and heritage. Because of the special nature of homes in this area, we saw a significant amount of interest from buyers specifically looking for historic properties. This high demand resulted in a successful sale at **[Price or "a record price for the block"]**.

The sale of this property has a direct impact on the market value of your own home. If you have been curious about how much your property is worth in today's market, I would be happy to provide you with a complimentary home valuation.

Whether you are considering a move or simply want to stay informed about the local market, please feel free to reach out to me. I specialize in preserving the value of historic homes and would love to chat.

Best regards,
