Re: Success Report for the Estate of [Deceased Name]

Dear [Executor Name],

I am writing to formally inform you that we have successfully closed the sale of the property located at [Property Address].

Our primary goal was to secure the highest possible return for the heirs and beneficiaries, and I am pleased to report that we achieved a final sale price of \$[Sale Price]. Through our specialized probate marketing strategy, we were able to generate [Number] offers and ultimately sell the home for [Percentage]% over the initial appraised value.

I understand that managing an estate is a significant responsibility. By handling the complexities of the real estate transaction and maximizing the equity in the home, we hope to have made this transition easier for your family.

All closing documents have been finalized, and the net proceeds have been distributed to the estate account as of [Date].

If you have any remaining questions regarding the sale or if you require assistance with any other real estate matters, please do not hesitate to reach out.

Sincerely,
