Re: Freedom to Operate (FTO) Opinion Regarding [Insert Project/Product Name]

Dear [Name],

1. Introduction

You have requested our legal opinion regarding the potential patent infringement risks associated with the commercialization of your product, identified as [Product Name/Description], in the [Insert Country/Region] market.

2. Scope of Search

We conducted a search of patent records in the [Insert Patent Office, e.g., USPTO] databases. The search focused on technologies related to [List Specific Technical Features]. The search covered patents and published applications as of [Insert Date].

3. Identified Patents

Our search identified the following patents of potential relevance:

- U.S. Patent No. [Number] ("[Title]")
- U.S. Patent No. [Number] ("[Title]")

4. Analysis and Non-Infringement Opinion

We have compared the claims of the identified patents with the specifications of your product. It is our opinion that [Product Name] does not infringe the claims of the identified patents for the following reasons:

- [Reason 1: e.g., Product lacks element X of claim 1]
- [Reason 2: e.g., Product utilizes a different method than described in claim Y]

5. Conclusion

Based on the information provided and the search conducted, we believe there is a low risk of a successful patent infringement claim regarding the identified patents. However, this opinion does not guarantee that third parties will not assert patent rights or that unknown patents do not exist.

6. Limitations

This opinion is based on the product design as of [Date]. Any changes to the design may require a new analysis. This letter is for the sole use of [Client Name] and may not be relied upon by any other party.

Sincerely,
