Dear [Client Name],

With the arrival of spring, many homeowners are looking to refresh their living spaces. Whether you are considering selling your home soon or simply want to maintain your property's value, a thorough spring cleaning is the perfect place to start.

I have put together this essential Spring Cleaning Checklist to help you enhance your home's curb appeal and interior comfort:

Exterior Maintenance

- Clean gutters and downspouts of winter debris.
- Power wash siding, walkways, and the driveway.
- Touch up exterior paint on doors and trim.
- Prune shrubs and refresh garden mulch.

Interior Deep Clean

- Wash windows inside and out, including tracks and screens.
- Deep clean carpets and polish hardwood floors.
- Dust ceiling fans, light fixtures, and baseboards.
- De-clutter closets, the garage, and the attic.

System Checks

- Replace HVAC filters for better air quality.
- Test smoke detectors and carbon monoxide alarms.
- Clean the dryer vent to prevent fire hazards.
