RE: Formal Objection to Proposed Boundary Change - [Student Name(s)]

Dear [Name of Official or School Board],

I am writing to formally express my concerns regarding the proposed school boundary changes that would affect our family and relocate my child(ren) from [Current School Name] to [Proposed New School Name].

Our family moved to our current home specifically because of its location within the [Current School Name] boundaries. We believe that this relocation will negatively impact our children for the following reasons:

- **Academic Continuity:** My child is currently enrolled in [specific programs, AP courses, or special education services] that are unique to their current school.
- **Social and Emotional Wellbeing:** Our children have established deep roots and support systems with teachers and peers at their current school.
- **Logistical Hardship:** The proposed change would significantly increase our daily commute and disrupt our family's ability to participate in extracurricular activities.

We request that the board considers a "grandfathering" clause for existing students or grants an administrative transfer to allow our child(ren) to remain at [Current School Name] until graduation.

Thank you for your time and for considering the impact of this decision on our family. We look forward to hearing from you regarding possible solutions.

Sincerely,
