Subject: Important: Spring Pest Control Service Preparation

Dear [Customer Name],

As the weather warms up, pests become more active. To ensure your property remains protected, your scheduled spring pest control treatment is set for **[Service Date]** between **[Time Window]**.

To help our technicians provide the most effective treatment, please complete the following preparations before we arrive:

- **Exterior Access:** Ensure gates are unlocked and side paths are clear of debris or toys.
- **Pets:** Please keep all pets indoors or in a secured area away from the treatment perimeter during the service.
- **Windows and Doors:** Please keep all windows and doors closed during the application.
- **Landscaping:** If possible, trim back any bushes or branches that are touching the exterior walls of the home.
- **Problem Areas:** Please notify us in advance if you have noticed specific activity such as ants, spiders, or stinging insects.

The treatment typically focuses on the foundation, eaves, and entry points to create a protective barrier against seasonal pests.

If you need to reschedule or have any questions regarding the products we use, please contact us at [Phone Number] or [Email Address].

Thank you for choosing [Company Name] to protect your home.

Sincerely,

[Your Name/Company Name]
