

Date: [Insert Date]

Dear Resident/Pet Owner,

This letter is to inform you that a professional flea and tick treatment is scheduled for your residence on: **[Insert Date of Service]**.

To ensure the treatment is effective, please complete the following preparation steps before the technician arrives:

- **Vacuum All Floors:** Thoroughly vacuum all carpets, rugs, and upholstered furniture. Immediately dispose of the vacuum bag or empty the canister into an outdoor trash bin.
- **Clear Floor Areas:** Remove all items from the floors, including toys, clothing, and pet bedding.
- **Wash Fabrics:** Wash all pet bedding, linens, and throw rugs in hot water and dry them on high heat.
- **Pet Care:** Treat all pets with a veterinarian-approved flea and tick product on or before the day of service.
- **Clear Perimeter:** Move furniture away from the walls to allow access to baseboards.
- **Aquariums:** Turn off air pumps and cover fish tanks with a damp towel or plastic wrap.

During and After Treatment:

- All people and pets must vacate the premises during the application.
- Do not re-enter the home for at least **[Insert Number]** hours or until the spray has completely dried.
- Once you return, open windows to ventilate the home.
- Continue to vacuum all treated floor areas daily for the next 14 days to trigger the hatching of remaining eggs and expose them to the treatment.
