

Date: [Date]

Dear [Resident Name],

Please be advised that a professional pest control treatment is scheduled for your residence on **[Date of Service]** between the hours of **[Start Time]** and **[End Time]**.

To ensure the safety of your pets and the effectiveness of the treatment, please follow these relocation and safety instructions:

- **Relocation:** All pets (dogs, cats, birds, etc.) must be removed from the premises during the treatment and remain out for at least [Number] hours following the application.
- **Fish Tanks:** If you have an aquarium, please turn off the air pump and cover the tank with a damp towel or plastic wrap to prevent chemical entry.
- **Pet Items:** Please remove all pet food bowls, water dishes, toys, and bedding from the floor and store them in a sealed container or cupboard.
- **Caged Animals:** Small animals in cages must be moved to a room not being treated or removed from the home entirely.

Safety Precautions:

Once the treatment is complete, please wait until all treated surfaces are completely dry before allowing your pets back into the home. If your pet has specific health conditions or sensitivities, please consult with your veterinarian prior to the service.

If you have any questions or are unable to relocate your pets during this time, please contact management immediately at [Phone Number/Email].

Thank you for your cooperation in maintaining a pest-free environment.

Sincerely,

[Your Name/Property Management]
