Subject: Preventative Pest Control Treatment Before Move-In

Dear [Tenant Name],

To ensure your new home is clean and comfortable, a preventative pest control treatment has been scheduled for [Insert Date] at [Insert Time].

This is a standard procedure to prevent issues before you move your belongings into the property. Please follow these preparation steps to ensure the treatment is effective:

- **Clear the Floors:** Please ensure all floors are clear of any trash or debris.
- **Kitchen and Bathroom:** Empty the areas under the sinks to allow the technician access to plumbing entry points.
- **Baseboards:** If possible, keep furniture slightly away from the walls to allow access to the baseboards.
- **Windows:** Ensure all windows are closed and locked.

Safety Information:

The products used are professional grade and safe for residential use. However, it is recommended that you do not enter the property until [Insert Time/Duration, e.g., two hours] after the treatment is completed to allow surfaces to dry.

If you have any questions regarding this service, please contact the management office at [Insert Phone Number].

Welcome to your new home!

Sincerely,

[Your Name/Company Name]
