

NOTICE: UPCOMING EXTERIOR PEST CONTROL TREATMENT

Date: [Date]

Dear Resident/Property Owner,

This letter is to inform you that an outdoor perimeter pest control treatment is scheduled for this property.

Scheduled Date: [Service Date]

Scheduled Time: [Service Time]

Scope of Work:

The treatment will involve the application of liquid or granular products around the exterior foundation of the building, window sills, door frames, and other potential pest entry points. This service is designed to prevent ants, spiders, and other crawling insects from entering the premises.

Safety Instructions:

- Please keep all windows and doors closed during the application.
- Ensure that all children and pets remain indoors during the treatment.
- Do not allow pets or children onto the treated areas until the product has completely dried (approximately 1-2 hours).
- Please remove any personal items, toys, or pet bowls from the perimeter of the building.

Product Information:

The products used are registered with the EPA and will be applied by a licensed professional. Material Safety Data Sheets (MSDS/SDS) are available upon request.

If you have any questions or need to reschedule, please contact [Company Name] at [Phone Number].

Thank you for your cooperation.

Sincerely,

[Your Name/Company Name]
