Dear [Homeowner Name],

I am writing to you because public records indicate that your property at [Property Address] may be facing a potential foreclosure. I understand that this can be a stressful and overwhelming time, and I am reaching out as a local real estate expert to let you know that you have options.

Many homeowners are unaware that they can take action to protect their credit and potentially walk away with equity, even after receiving a legal notice. Depending on your specific situation, we can explore several paths, including:

- A traditional sale to capture your home's current value.
- Negotiating a short sale with your lender.
- Connecting you with resources for loan modification or reinstatement.
- A direct cash offer for a quick closing.

My goal is to provide you with the information you need to make the best decision for your future. I offer a free, no-obligation consultation to review your situation and explain the timelines and alternatives available to you.

Please feel free to call or text me directly at [Your Phone Number] or email me at [Your Email Address]. Time is often the most important factor in these situations, so I look forward to hearing from you soon.

Best regards,
