Re: Formal Request for Eviction Stay due to Economic Hardship

Dear [Landlord Name],

I am writing to formally request a stay of eviction regarding the property located at [Your Full Address]. This request is being made due to severe financial hardship resulting from the current economic downturn.

Due to [mention specific reason, e.g., job loss, reduced hours, or business closure], my household income has significantly decreased. As a result, I am currently unable to meet the full rental obligations as set forth in our lease agreement.

I am actively seeking new employment and investigating government assistance programs to rectify my financial situation. I am committed to fulfilling my rental obligations and propose the following temporary arrangement: [e.g., a partial payment plan or a specific date for a delayed payment].

I am requesting a stay of [Number] days to allow me the time necessary to stabilize my finances and avoid homelessness. I have attached documentation of my loss of income for your review.

Thank you for your time and for considering this request during these difficult economic times. I look forward to your response.

Sincerely,
