

Subject: Local Market Update and Potential Collaboration

Dear [Attorney Name],

I am [Your Name], a real estate professional with [Your Brokerage] specializing in the [Local Area/Neighborhood] market. I am reaching out because I admire your work in real estate law and believe our professional goals may align.

The local market has seen significant shifts recently. I have compiled a brief summary of current trends, including inventory levels, average days on market, and recent closing price fluctuations, which I have attached for your review. I thought this data might be useful for your clients navigating upcoming transactions or estate planning.

I frequently work with clients who require expert legal counsel for complex residential and commercial deals. I am currently looking to expand my network of trusted attorneys to whom I can confidently refer my clients.

Would you be open to a brief introductory call or a quick cup of coffee next week? I would love to learn more about your practice and discuss how I can provide value to your clients through my market insights.

I look forward to hearing from you.

Best regards,
