

Subject: Invitation: Golf & Networking for Real Estate Professionals

Dear [Name],

I hope you are having a productive week.

I am writing to invite you to join me for a round of golf at [Name of Golf Course] on [Date] at [Time].

As we are both active in the [City/Region] real estate market, I thought this would be a great opportunity to step away from our desks, enjoy some time on the green, and discuss current trends we are seeing in property law and local development.

I have reserved a tee time for a small group of professionals in our field, and I would value your perspective on the industry while we play.

Please let me know by [Date] if you are available to join. I will handle the green fees and reservations.

I look forward to catching up on the course.

Best regards,

[Your Name]
