Subject: Request for Preferred Pricing for Real Estate Open House Cleanings

Dear [Contact Person Name],

I am a real estate professional working with [Agency Name] in the [Location/Area] market. I am currently looking for a reliable cleaning partner to handle pre-listing and open house cleaning services for my upcoming property listings.

Given the frequency of my listings and the need for consistent, high-quality results, I am interested in establishing a long-term partnership. I am writing to inquire if you offer preferred pricing, volume discounts, or specialized "Real Estate Packages" for agents who provide recurring business.

Specifically, I am looking for services that include:

- Deep cleaning prior to photography and staging.
- Quick "touch-up" cleans immediately before open house events.
- Move-in/Move-out cleaning for clients.

Could you please provide your standard rate sheet and let me know what discounted rates or loyalty programs you have available for real estate professionals? I would also appreciate knowing your general availability and how much lead time you typically require for a booking.

I look forward to the possibility of working together and showcasing your work to my clients.

Best regards,
