Subject: Exclusive Interior Design Collaboration for [Name of Development Project]

Dear [Contact Name],

I am writing to formally propose an exclusive interior design partnership between [Your Company Name] and [Development Firm Name] for your upcoming project, [Name of Development].

We have closely followed your recent successes in the [Location/Region] market. We believe that integrating high-end, bespoke interior design at the development stage will significantly increase the market value of your units and accelerate your sales velocity.

Our proposed collaboration includes:

- **Signature Model Suite Design:** Creating immersive showrooms that translate your architectural vision into a luxury lifestyle experience.
- **Curated Finish Packages:** Selecting exclusive material palettes for flooring, cabinetry, and hardware to differentiate your units from competitors.
- **Client Personalization Services:** Offering future homeowners a seamless upgrade and customization process managed entirely by our design team.
- **Co-Branded Marketing:** Leveraging our design brand to enhance your promotional materials and high-profile launch events.

We are eager to discuss how our aesthetic vision can complement your construction excellence to create a landmark development. I will follow up with your office next week to schedule a brief introductory meeting.

Thank you for your time and consideration.

Sincerely,
