

Subject: Thinking of moving to [City Name]? / Introduction: [Referral Name]

Dear [Past Client Name],

I hope you and your family are doing well in your home at [Client's Address]! It was such a pleasure working with you on your move, and I always enjoy staying in touch.

I am reaching out because I remember you mentioned having friends or colleagues in [Client's Previous Location/Workplace]. As you know, I specialize in helping people relocate to the [City/Area] area.

If you know of anyone currently planning a move here, I would be honored if you would pass along my contact information. Relocating to a new city can be overwhelming, and I take great pride in making that transition as smooth as possible for my clients-just as we did for you.

I have attached my digital business card below. Alternatively, if you'd prefer to introduce us via a group email or text, I would be happy to take it from there.

Thank you for your continued trust and support. I look forward to hearing from you soon!

Best regards,
