Dear [Recipient Name],

Summer is officially here! As the sun comes out and the days get longer, many people are starting to dream about their next big move or a perfect summer getaway.

The current real estate market is heating up just like the weather. If you know a friend, family member, or neighbor who is thinking about selling their home to find their own summer retreat or to downsize for the season, I would love to help them.

My goal is to provide a stress-free experience so my clients can focus on enjoying their summer while I handle the details of the sale. As someone I have worked with before, your recommendation means the world to me.

If you pass along a name and contact information, I promise to provide them with the highest level of professional service. I have also enclosed a few of my business cards for you to share.

Thank you for your continued support and trust. I hope you have a wonderful, sun-filled summer!

Best regards,
