Subject: Professional Real Estate Connection for Your Seasonal Move

Dear [Client Name],

I hope you are enjoying your time in [Current State]. As you begin preparations for your seasonal move to [Destination State], I wanted to reach out and offer a specialized resource to make your transition as seamless as possible.

Navigating two different real estate markets requires coordinated expertise. To ensure you receive the same level of service in [Destination State] that you expect here, I have personally partnered with [Partner Agent Name] from [Partner Agency].

[Partner Agent Name] is a specialist in the [Destination State] market and understands the specific needs of "snowbird" clients, including property management, seasonal rentals, and local market trends.

I have taken the liberty of sharing your contact information with them, and they will be reaching out shortly to introduce themselves. Whether you are looking to buy, sell, or simply need an updated valuation of your seasonal home, you now have a dedicated professional team working for you in both locations.

We look forward to working together to manage your real estate needs across state lines.

Best regards,
