Subject: Referral Partnership for Dual-Licensed Services in [City Name]

Dear [Recipient Name],

I am reaching out to introduce myself as a dual-licensed professional authorized to practice in both [State A] and [State B]. Given our proximity to the border and the frequent movement of clients between these two regions, I am looking to establish a reliable referral network with experts like yourself.

Many clients moving across the state line face complexities regarding local regulations, taxes, and market trends. Because I maintain active licenses and a physical presence in both [State A] and [State B], I can provide these clients with a seamless transition, ensuring they do not have to manage two different sets of agents during their relocation or investment process.

I value the work you do at [Recipient Company Name] and believe that a referral partnership could be mutually beneficial. I am often in contact with clients in [State A] who are looking for local expertise in [State B], and I would love to discuss how we can support each other's business growth.

Are you available for a brief introductory call or a coffee meeting next week to discuss how we might collaborate?

I look forward to hearing from you.

Best regards,
