

Subject: Thoughts on [Property Address] - Second Showing

Dear [Client Name],

It was a pleasure seeing you again this weekend for the second viewing of [Property Address]. I am glad we had the opportunity to take a closer look and spend more time evaluating the details of the home.

Now that you have seen the property twice, I wanted to check in and see how you are feeling about it. Did it continue to meet your expectations, or did the second visit raise any new questions or concerns?

If you are considering moving forward with an offer, or if you would like me to find out more information regarding [specific detail discussed, e.g., the roof age or HOA rules], please let me know. I can also provide a fresh market analysis to help you determine a competitive offer price.

I look forward to hearing your thoughts.

Best regards,
