Subject: Follow-Up Regarding Yard Size and Lot Boundary Concerns - [Property Address]

Dear [Recipient Name],

I am writing to follow up on our previous discussion regarding the yard size and specific lot boundaries for the property located at [Property Address].

As mentioned, I have concerns regarding the following:

- The discrepancy between the perceived boundary lines and the official plot map.
- The total usable square footage of the yard compared to the initial listing description.
- [Insert any additional concern, e.g., easement issues or neighboring encroachments].

To resolve this matter and ensure total clarity, I request the following information or actions:

1. A copy of the most recent land survey or plat map.
2. Physical identification of the corner stakes/markers on the property.
3. Written clarification regarding any easements that may impact yard usage.

I look forward to receiving this information by [Date]. Please let me know if a site visit is necessary to walk through these boundaries together.

Thank you for your prompt attention to this matter.

Sincerely,

[Your Signature]
