

Subject: Quick Follow-Up: Today's Property Tours

Hi [Client Name],

I know you have a busy schedule, so I will keep this brief. Thank you for taking the time to tour [Property Address/Properties] with me today.

To help us stay efficient, could you please give me a quick "Yes," "No," or "Maybe" on the following:

- **[Property Address 1]:** [Status]
- **[Property Address 2]:** [Status]

If any of these are a "Yes," let me know when you have two minutes to discuss next steps. Otherwise, I will continue filtering for listings that better match your criteria and send over new options as they hit the market.

Best regards,
