

Subject: Thinking back to [Property Address]

Dear [Buyer Name],

I know our walkthrough of [Property Address] was a bit of a whirlwind since we were short on time. Often, when a showing feels rushed, it is easy to miss the smaller details that actually make a house feel like a home.

Since you didn't get a chance to really settle in and visualize the space, I would love to take you back for a second, more relaxed look. I have arranged with the sellers to provide a private window for us to walk through at your own pace.

Would any of these times work for a follow-up visit?

- [Option 3: Day/Time]

I have also attached the full property disclosure and floor plans so you can review the specifics before we head back in.

Looking forward to hearing your thoughts.

Best regards,
