Dear [Agent Name],

Thank you for showing my property to your clients on [Date of Showing].

I am writing to kindly request any feedback your clients may have shared regarding their visit. Specifically, I am interested in their thoughts on:

- The overall condition and presentation of the home.
- The current listing price in relation to the market.
- Any specific features they liked or areas they felt needed improvement.
- Their general level of interest in moving forward with an offer.

Your honest input is very valuable to me as I look to make the most informed decisions regarding the sale of my home. If there is anything I can do to make the property more appealing to your buyers, please let me know.

I look forward to hearing from you at your earliest convenience.

Best regards,
