

Subject: Following up: Finding the perfect space for your growing family

Dear [Client Name],

It was a pleasure speaking with you on [Date] regarding your plans to upgrade to a larger home. I have been thinking about your specific needs, particularly the requirement for [mention specific need, e.g., an extra bedroom or a larger backyard], and I wanted to touch base.

As your family grows, I understand that timing and convenience are just as important as the property itself. I am currently monitoring several listings-some of which are not yet on the public market-that align perfectly with the space and school district preferences we discussed.

Would you be available for a brief call this week to review a few of these options? I would also be happy to provide an updated valuation of your current home to help you plan your next steps with confidence.

I look forward to helping your family find the perfect place to grow.

Best regards,
