Subject: Antitrust Clearance for Proposed Pricing Strategy: [Project Name/Strategy ID]

Dear [Name],

This letter serves as formal notification that the Legal and Compliance Department has completed its antitrust review of the proposed pricing strategy submitted on [Date].

Based on the documentation provided and our internal analysis, the proposed strategy is **CLEARED** for implementation, provided that the following conditions are met:

- **Unilateral Action:** All pricing decisions must be made independently by [Company Name]. There shall be no communication or agreement with competitors regarding prices, discounts, or terms of sale.
- **No Resale Price Maintenance:** We may suggest resale prices, but we must not enter into agreements with distributors that mandate a minimum retail price or penalize them for independent pricing decisions.
- **Non-Discriminatory Pricing:** Ensure that any price variations between similar customers are justified by documented differences in the cost of manufacture, sale, delivery, or the need to meet a competitor's lawful price.
- **Documentation:** Maintain all records justifying the economic rationale for this pricing change to demonstrate independent business justification.

This clearance is limited strictly to the parameters of the strategy as presented. Any material changes to the scope, target market, or discount structures must be resubmitted for additional review.

Should you have any questions regarding these requirements or encounter any inquiries from competitors or regulatory bodies, contact the Legal Department immediately.

Sincerely,
