RE: Notice of Proposed Exclusive Distribution Agreement and Antitrust Compliance Clearance

Dear [Recipient Name],

This letter serves as a formal notification and request for antitrust clearance regarding the proposed Exclusive Distribution Agreement between [Company A Name] ("Supplier") and [Company B Name] ("Distributor").

The parties intend to enter into an agreement granting [Distributor] the exclusive right to sell [Product Name/Category] within the defined territory of [Geographic Territory].

Under the terms of this agreement, the following provisions have been reviewed for antitrust compliance:

- **Territorial Exclusivity:** The Distributor is assigned a specific territory to ensure focused investment and brand development.
- **Product Scope:** The exclusivity applies only to the specific products listed in Schedule A of the agreement.
- **Non-Compete Clauses:** Any restrictions on the distribution of competing products are limited in duration and scope to protect trade secrets and investment.
- **Pricing:** The agreement maintains that the Distributor retains independent authority to set resale prices, in accordance with applicable competition laws.

The parties believe that this agreement promotes inter-brand competition, improves distribution efficiency, and provides significant benefits to consumers without resulting in an unlawful restraint of trade or market monopolization.

We request a formal review and written confirmation that this arrangement does not violate [Relevant Jurisdiction] antitrust statutes or competition regulations. Attached are the draft agreement and market share analysis for your reference.

Please contact the undersigned if you require additional documentation or information regarding this matter.

Sincerely,

[Signature]
