Re: Investigation of [Company Name], FTC File No. [000-0000]

Dear [Mr./Ms. Last Name]:

The Federal Trade Commission's staff has conducted an investigation into certain business practices by [Company Name] to determine whether such practices may have violated the Federal Trade Commission Act or other laws enforced by the Commission.

Upon further review of this matter, it now appears that no additional action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the staff's prior investigation should not be construed as a determination that a violation did occur.

The Commission reserves the right to take such further action as the public interest may require. Pursuant to the Commission's Rule 4.10(g), this closing letter is a matter of public record.

By direction of the Commission,
