Subject: Follow-Up Consultation for Chronic Kidney Disease (CKD)

Dear Dr. [Referrer Last Name],

I had the pleasure of seeing [Patient Name] today for a follow-up evaluation of Chronic Kidney Disease, currently staged at [Stage, e.g., Stage 3b].

Interval History:

Since our last visit, the patient reports [stable symptoms/new concerns]. Blood pressure monitoring at home shows averages of [BP readings]. Compliance with current medications is [excellent/fair].

Laboratory Findings:

Recent labs dated [Date] show:
- Serum Creatinine: [Value]
- Estimated GFR: [Value] ml/min/1.73m²
- Potassium: [Value]
- Hemoglobin: [Value]
- Urine Albumin/Creatinine Ratio: [Value]

Assessment:

The patient's CKD is currently [stable/progressing]. Stability is noted in [blood pressure/proteinuria/electrolyte management].

Plan:

1. **Medications:** Continue [Current Meds]. Start/Adjust [New Meds/Doses].
2. **Dietary:** Follow [Low Sodium/Low Protein/Low Potassium] restrictions.
3. **Monitoring:** Repeat CBC, BMP, and urinalysis in [Timeframe].
4. **Follow-up:** The patient will return to this clinic in [Number] months.

Thank you for the continued opportunity to participate in this patient's care.

Sincerely,

[Doctor Name], MD/DO
Nephrology Department
