Dear [Patient Name],

This letter is to provide you with the results of the genetic testing performed on [Date] for [Reason for Testing/Condition].

Result Summary: [Positive / Negative / Variant of Uncertain Significance]

Interpretation:
[Insert a brief explanation of what the result means for the patient's health and risk factors.]

Recommendations:
Based on these results, we recommend the following next steps:

- [Recommendation 1: e.g., Follow-up appointment]
- [Recommendation 2: e.g., Screening or preventative measures]
- [Recommendation 3: e.g., Testing for family members]

Genetic results can be complex. We have scheduled/would like to schedule a counseling session to discuss these findings in detail and answer any questions you may have. Please contact our office at [Phone Number] to confirm your appointment or if you have immediate concerns.

A copy of your laboratory report is enclosed with this letter for your records.

Sincerely,
