RE: NOTICE OF DATA BREACH INVOLVING ARTIFICIAL INTELLIGENCE SYSTEMS

Dear [Recipient Name],

We are writing to inform you of a data security incident involving our firm's use of artificial intelligence (AI) technologies that may have affected your personal or legal information.

What Happened?

On [Date], we discovered that [Description of event: e.g., an unauthorized prompt injection, data leak via third-party AI provider, or unauthorized access to AI training logs]. Our investigation determined that an unauthorized party may have accessed data processed by our AI systems between [Start Date] and [End Date].

What Information Was Involved?

The information involved may have included your:

- Full name
- Legal case files or documents
- Social Security number or identification numbers
- Financial account information
- [Insert other specific data types]

What We Are Doing

We have taken immediate steps to secure our AI environment, including [e.g., suspending the AI service, resetting credentials, and enhancing API security]. We have also notified law enforcement and are working with external cybersecurity experts to prevent future occurrences.

What You Can Do

We recommend that you remain vigilant by reviewing your account statements and monitoring your free credit reports. You may also [Insert specific action: e.g., enroll in credit monitoring services provided].

For More Information

If you have questions regarding this incident, please contact us at [Phone Number] or [Email Address].

Sincerely,

[Name of Partner/Privacy Officer]
