Subject: Formal Notice of Intellectual Property Infringement and AI Usage Liability

Dear [Recipient Name],

It has come to our attention that your organization is using protected material owned by [Your Name/Company Name] without authorization. This material includes, but is not limited to: [Description of Content/Work/Data].

We have reason to believe that our proprietary intellectual property has been used to train, fine-tune, or prompt generative artificial intelligence models, or that AI-generated output currently being published by you contains substantial portions of our copyrighted work.

Please be advised that the use of protected works for AI machine learning or the distribution of AI-generated content that mimics or reproduces our intellectual property constitutes infringement under applicable laws. As the operator of the AI system or the publisher of its output, you maintain full liability for these actions.

We hereby demand that you:

- Immediately cease and desist all unauthorized use of our intellectual property.
- Remove our data/content from any AI training sets or databases under your control.
- Provide written confirmation that the infringing material has been deleted.
- Disclose the source of the AI models used to generate the infringing content.

Failure to comply with this notice by [Insert Date] may result in further legal action to protect our rights, including seeking statutory damages, legal fees, and injunctive relief.

This letter is sent without prejudice to any other rights or remedies available to us.

Sincerely,

[Your Signature]
