RE: Third-Party Artificial Intelligence Software Integration Liability Waiver

This Liability Waiver ("Waiver") is entered into between [Your Company Name] ("Company") and [Client/User Name] ("Client") regarding the integration and use of [Name of AI Software/Tool] ("Third-Party AI").

1. Acknowledgment of Third-Party Service: The Client acknowledges that the Third-Party AI is developed, maintained, and operated by a third-party provider and not by the Company. The Company acts solely as an integrator of this technology.

2. No Warranty: The Company provides access to Third-Party AI "as is" and "as available." The Company makes no warranties, express or implied, regarding the accuracy, reliability, security, or performance of the AI-generated outputs.

3. Limitation of Liability: To the maximum extent permitted by law, the Company shall not be held liable for any direct, indirect, incidental, or consequential damages resulting from:

- Errors, hallucinations, or biases in AI-generated content;
- Data breaches or privacy leaks occurring within the Third-Party AI environment;
- Intellectual property infringement claims arising from AI outputs;
- Service interruptions or permanent cessation of the Third-Party AI service.

4. Data Privacy and Security: The Client understands that data inputted into the Third-Party AI may be processed by the third-party provider according to their own privacy policies. The Company is not responsible for how the third-party provider stores, uses, or trains its models on Client data.

5. Client Responsibility: The Client is responsible for reviewing and verifying all AI-generated outputs before use or reliance. The Client agrees to comply with the Terms of Service of the Third-Party AI provider.

By signing below or continuing to use the integrated service, the Client accepts the terms of this waiver.
