

Date: [Insert Date]

To: [Name of School/Nursery Administration]

Subject: Confirmation of Symptom-Free Status - Return to Education

Dear [Name of Contact Person or Principal],

This letter is to inform you that [Child's Full Name] has recovered from conjunctivitis (pink eye) and is ready to return to school/nursery on [Date of Return].

I can confirm the following:

- The child is no longer experiencing eye discharge or crusting.
- The eyes are no longer red or inflamed.
- [Optional] The child has completed the recommended [Number] hours/days of prescribed antibiotic treatment.

Following healthcare guidelines, [Child's Name] is no longer considered contagious and is fit to resume all normal classroom and playground activities.

If you require any further information, please contact me at [Your Phone Number].

Sincerely,

[Your Signature]

[Your Printed Name]

[Relationship to Child]
