RE: Psychiatric Evaluation Clearance for [Candidate Full Name]

To Whom It May Concern,

I am writing to provide the results of the formal psychiatric evaluation conducted on **[Candidate Full Name]** on **[Date of Evaluation]**. This evaluation was performed to determine the candidate's psychological suitability for a position in law enforcement.

The evaluation included a comprehensive clinical interview, a review of relevant medical and personal history, and the administration of standardized psychological testing, specifically **[List tests, e.g., MMPI-3, PAI]**.

Based on the findings of this evaluation, it is my professional opinion that **[Candidate Full Name]** does not currently possess any mental or emotional condition that would interfere with the essential functions of a law enforcement officer. The candidate demonstrated appropriate judgment, emotional stability, and the psychological resilience required for high-stress environments.

Therefore, **[Candidate Full Name]** is **CLEARED** from a psychological standpoint for duty.

Please contact my office at **[Phone Number]** if you require any further documentation or clarification.

Sincerely,
