**Subject:** Notice of Clearance and Return to Work - Asbestos Abatement

Dear [Name],

This letter serves as official notification that the asbestos abatement activities at **[Project Address/Location]** have been successfully completed.

The abatement was performed in accordance with all local, state, and federal regulations. Following the removal process, a visual inspection and final air clearance testing were conducted by an independent third-party laboratory/consultant on **[Insert Date]**.

The laboratory results indicate that the airborne fiber levels are below the permissible exposure limit (PEL) of **[Insert Limit, e.g., 0.01 fibers per cubic centimeter]**. Based on these findings, the containment area has been dismantled, and the workspace is now deemed safe for re-occupancy.

Effective **[Insert Date/Time]**, all personnel are authorized to return to work and resume normal operations in the following areas: **[Insert Specific Rooms or Floors]**.

Documentation of the air clearance results and the project completion report are attached for your records.

Sincerely,

[Your Name]
