Subject: Final Medical Clearance - Six-Month Post-Exposure Follow-Up

Dear [Employee Name],

This letter is to formally notify you that you have completed the required medical surveillance and follow-up protocol regarding the potential occupational exposure incident that occurred on [Date of Incident].

As per standard health and safety protocols, you have undergone the final six-month clinical evaluation and diagnostic testing. We are pleased to inform you that all results from your final screening are within normal limits.

Based on these results, you are now officially cleared from the post-exposure monitoring program. No further routine follow-up appointments or tests related to this specific incident are required at this time.

Please keep a copy of this clearance for your personal records. If you experience any new symptoms or have additional questions regarding your health status, please contact the Occupational Health Department immediately.

Thank you for your cooperation throughout this monitoring process.

Sincerely,
