Re: Lab Test Results

Dear [Patient Name],

Thank you for cooperating with the medical evaluation following the recent exposure incident involving a healthcare worker.

We are writing to inform you that your lab results for bloodborne pathogens are **negative**. The tests conducted included:

- Human Immunodeficiency Virus (HIV)
- Hepatitis B Virus (HBV)
- Hepatitis C Virus (HCV)

At this time, no further action or follow-up testing is required from you regarding this specific incident. These results will be kept in your confidential medical record.

If you have any questions regarding these results, please contact [Department Name/Contact Person] at [Phone Number].

Sincerely,

[Provider Name/Signature]

[Title]

[Facility Name]
