RE: Request for Reasonable Accommodation - [Tenant Name]

Dear [Landlord/Property Manager Name],

I am writing this letter on behalf of my patient, [Tenant Name], who is a resident at [Tenant Address].

Mr./Ms. [Tenant's Last Name] has a physical disability that limits their mobility and balance. Due to these limitations, they are at a significant risk of falling, particularly in wet areas such as the bathroom.

To ensure my patient's safety and equal opportunity to use and enjoy their dwelling, I am recommending the following reasonable accommodation/modification:

- The installation of professional-grade grab bars in the [shower/bathtub area and/or near the toilet].

These modifications are medically necessary to prevent injury and to allow [Tenant Name] to perform daily hygiene tasks independently. We request that these be installed in accordance with ADA accessibility standards.

Please let us know the process for moving forward with this installation. If you require any additional medical documentation, please do not hesitate to contact my office.

Sincerely,
