Re: Advisory Regarding Class Action Waiver Enforceability in Commercial Contract [Contract Number/Reference]

Dear [Contact Name],

This letter serves as a formal advisory regarding the class action waiver provisions contained within our existing commercial vendor agreement, dated [Original Contract Date].

Recent judicial developments and legislative updates have necessitated a review of dispute resolution clauses to ensure continued enforceability. Please be advised of the following updates regarding our contractual relationship:

- **Enforceability Affirmation:** The class action waiver remains a material term of our agreement. Both parties acknowledge that any dispute arising from this contract shall be resolved on an individual basis only.
- **Scope of Waiver:** This waiver applies to all claims, whether in contract, tort, or otherwise, and prohibits participation in any class, collective, or representative action.
- **Arbitration Alignment:** Where applicable, this waiver is intended to be read in conjunction with the mandatory arbitration clause to ensure compliance with the Federal Arbitration Act (FAA) and relevant state statutes.

No immediate action is required on your part if you agree to continue under these affirmed terms. However, continued performance under the contract following receipt of this notice constitutes your acknowledgment and acceptance of these clarified terms regarding class action waivers.

If you have any questions regarding the legal implications of this advisory, we recommend consulting with your legal counsel.

Sincerely,

[Signature]
