Dear [Patient Name],

We are writing to provide you with the results of your recent comprehensive blood panel conducted on [Date of Lab Work].

After reviewing your laboratory report, we are pleased to inform you that your results are within the normal range. Specifically, this evaluation included a review of your:

- Complete Blood Count (CBC) - checking for infection or anemia.
- Comprehensive Metabolic Panel (CMP) - assessing kidney and liver function, as well as electrolyte levels.
- Lipid Profile - measuring cholesterol and triglyceride levels.
- Blood Sugar / Hemoglobin A1c - screening for blood glucose stability.

No immediate follow-up or changes to your current treatment plan are required based on these findings. We recommend that you continue with your routine health maintenance and scheduled screenings as previously discussed.

A copy of your full laboratory report is [enclosed/available on the patient portal] for your records.

If you have any specific questions regarding these results or if you are experiencing any new symptoms, please feel free to contact our office to schedule a follow-up appointment.

Sincerely,
